IMPORTANT NOTICE: PLEASE READ: You **may** be a member of the FX Damages Class in a **second** lawsuit, Ross v. American Express Co., that also seeks damages for foreign transaction fee claimants who made eligible foreign transactions from July 22, 2000 to November 8, 2006, using certain Visa, MasterCard or Diners Club cards (but **not** American Express). An agreement in principle to settle the FX Damages Class claims for \$49.5 million has been reached. If approved by the Court, the net settlement proceeds, after Court-awarded attorneys' fees and expenses of up to \$13.875 million and the costs of notice and administration of the settlement, will be distributed in the future. You may exclude yourself from the FX Damages Class by March 2, 2012. Otherwise, you will be bound by any judgment or settlement in this case. **For more information, including your right to exclude yourself or object to the proposed settlement, see the full Notice at www.ccfsettlement.com, or call: 1-888-567-5450.**
